

SFGM-TC Scientific Day

October 19, 2023

10h00-16h00

Amphi Milian – Hôpital Saint Louis – PARIS

« Hematopoietic stem cell aging »

Program

10h00-10h15 Introduction *Stéphanie Nguyen (Paris, France) et Raynier Devillier (Marseille, France)*

Moderator *Stéphanie Nguyen, Raynier Devillier*

10h15-10h45 IL1 role in Inflammation & clonal evolution *Markus Manz (Zürich, Suisse)*

10h45-11h00 Discussion

11h00-11h20 Cognitive dysfunction and immunity *Katarina Le Blanc (Solna, Suède in virtual)*

11h20-11h35 Discussion

11h40-12h00 CHIP in donor *Frederik Damm (Berlin, Allemagne in virtual)*

12h00-12h15 Discussion

12h20-12h40 Leukemia from donor cells (DDX41) *Marie Sebert (Paris, France)*

12h40-12h55 Discussion

13h00-14h00 Lunch

Moderator *Marie Robin (Paris, France) et Danièle Bensoussan (Nancy, France)*

14h00-14h20 Immune-reconstitution and immune-senescence after transplantation **Fédérico Simonetta (Genève, Suisse in virtual)**

14h20-14h35 Discussion

14h35-14h55 Marrow stromal cell senescence and alloreactivity after HSCT **Natalia de Isla (Nancy, France)**

14h55-15h05 Discussion

15h05-15h35 Anti-senescence CAR-T cell **Corina Amor (New York, USA in virtual)**

15h35-16h00 Discussion

16h00-16h10 Conclusion

This event is multi-sponsors
